

Inspections of Garbage and Recycling Containers

*Recycle Ranger wants YOU to
"help keep Buckeye Green"*

Solid Waste
Division of
Public Works
(623) 349-6805

Monthly inspections of both garbage and recycling containers will be conducted by the Town of Buckeye and Allied Waste Services.

Garbage containers will be checked for...

- bagged and tied garbage
- bagged and tied grass and yard waste
- loose garbage, grass or yard waste
- loose diapers or pet waste
- overfilled containers
- unacceptable materials such as stones and dirt
- improper placement of container
- overfilled container
- the condition of the container
- the presence of fly larvae
- intense odor

Recycling containers will be checked for...

- acceptable recyclables
- unacceptable materials
- hazardous wastes
- bagged recyclable materials
- plastic bags
- grass and yard waste
- improper placement of the container
- overfilled container

Containers identified with a violation will be tagged with an inspection card.
